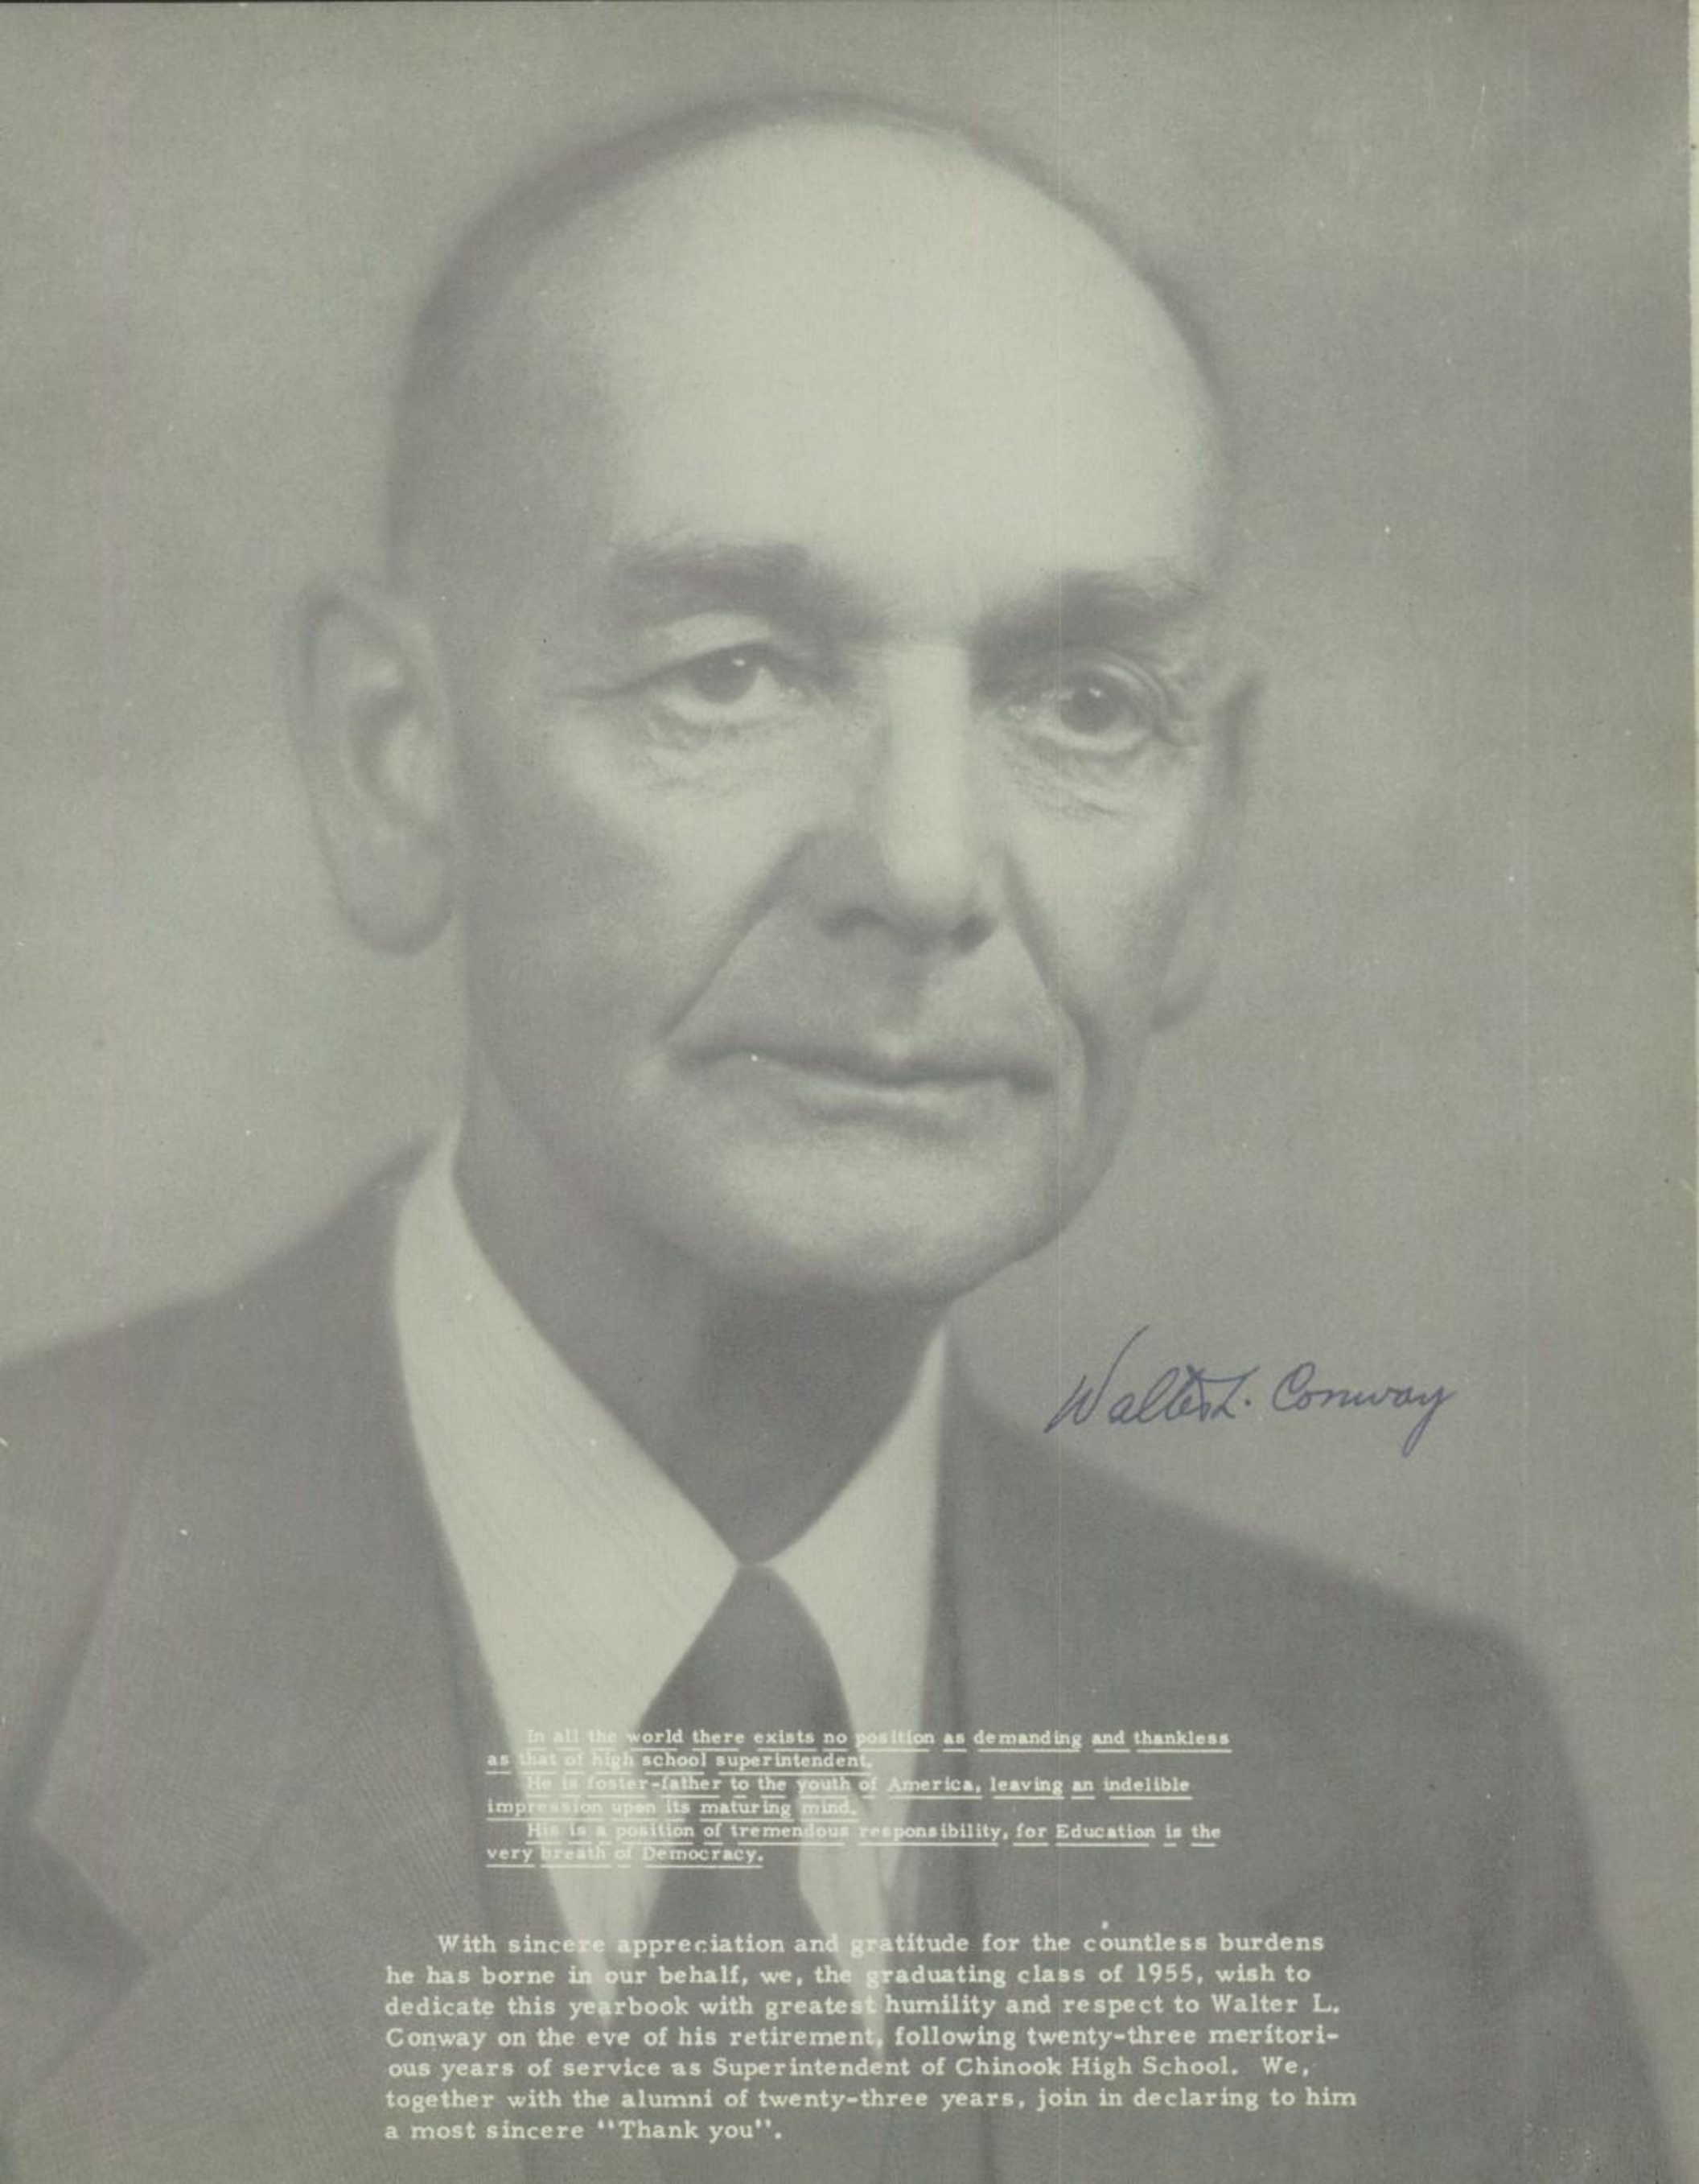
ADVERTISEMENTS



In all the world there exists no position as demanding and thankless as that of high school superintendent.

He is foster-father to the youth of America, leaving an indelible impression upon its maturing mind.

His is a position of tremendous responsibility, for Education is the very breath of Democracy.

With sincere appreciation and gratitude for the countless burdens he has borne in our behalf, we, the graduating class of 1955, wish to dedicate this yearbook with greatest humility and respect to Walter L. Conway on the eve of his retirement, following twenty-three meritorious years of service as Superintendent of Chinook High School. We, together with the alumni of twenty-three years, join in declaring to him a most sincere "Thank you".

Foreword

As we graduate and embark upon life's long journey, memories of our carefree high school days will become our most priceless possessions. These days are far too precious to pass out of memory completely; that is the purpose of a high school yearbook--to capture those fleeting moments of youthful happiness and comradeship. Freshman--sophomore--junior--senior--where will they be ten years from now? What will be their destiny? Will they remember?

Class History

Our class of 81 boisterous students entered C.H.S. in the fall of 1951 and was classed as "green freshmen", but we soon overcame this title. We were initiated by the sophomores in a week-long struggle which was brought to a close by a rip-snorting assembly. We got off to a bang-up start by electing Chuck Ingwalson, president; Kay Robertson, vice-president; and Marilee Chapman, secretary-treasurer. Our student council representatives were Judy Acher, Linda Lux, and Ivan Nelson. Mr. Heintz was our sponsor. We finished off the year with a very successful class picnic.

We re-entered C.H.S. in the fall of 1952, this time as sophomores, striving to obtain higher abilities. To prove this, we elected Linda Lux, president; Kenny Stam, vice-president; and Margie Williamson, secretary-treasurer. Our student council representatives were Vernon Kaufman, Rulee Matsuoka, and Marilee Chapman. We had a big initiation for the new freshmen, even though it lasted for only two weeks, under the new initiation ruling. Miss Koehmstedt acted as our sponsor.

The following fall we entered the high as "flighty" juniors; upperclassmen at last! This year, to prove our worth, we elected E. L. Luckett, president; Ivan Nelson, vice-president; and Tana Claridge, secretary-treasurer. John Gesell, Lacene Galbraith, and Chuck Ingwalson served as student council representatives. We sponsored the annual Junior Prom, with Ivan Nelson as prom chairman, and E. L. Luckett and Linda Lux leading the Grand March. The theme of the prom was "Harbor Lights", and the gym was decorated in a marine motif for the occasion. "Going Places" was our class play this year, and a very successful one it proved to be. To attend Girls' State, we selected Margie Williamson, with Rulee Matsuoka as alternate. Boys' State delegates were John Gesell, Ivan Nelson, and Chuck Ingwalson, with Nevada Bonar, David Kathman, and Kenny Kuhr as alternates. Mr. Denney was chosen to sponsor our class this year.

Entering C.H.S. for the last time, we set out to make it a memorable one by electing Garth Seamons as president, Bob Matulka as vice-president, Jacquie Matchett as secretary, and Rulee Matsuoka as treasurer. This year's Student Council officers were Ivan Nelson, president; Chuck Ingwalson, vice-president; Tana Claridge, secretary; and Margie Williamson, treasurer. Acting as class representatives were Helen Couch, LaLawne Gratton, and E. L. Luckett. We chose Mr. Bowen to be our sponsor. Our senior class play was "Special Delivery", a very clever comedy. The D.A.R. Award was presented to Rulee Matsuoka, and the Bausch and Lomb Award, to John Gesell. Jacquie Matchett was crowned Queen of the annual Carnival. Our valedictorian was Cornelia Feiertag, and the salutatorian, John Gesell. Thus, on the night of May 25, 1955, we finished four wonderful years of comradeship and happiness at Chinook High School, an experience we shall never forget.

Class Will

We, the Class of '55, being of sound mind and big hearts, do hereby bequeath our worldly possessions and talents to those who will put them to good use in climbing the four steps of high school education.

To the FACULTY, we leave our sincere appreciation and gratitude to those who have been so kind, patient, and understanding.

To the JUNIORS, we leave our brilliant minds, firm understanding, and keen sense of humor.

To the SOPHOMORES, we leave our books, lockers, and unused pencils; also any gum wads they might find lying around.

To the FRESHMEN, we leave our success in reaching the top--gives 'em something to look forward to, eh?

JAMES ACHER wills his big blue eyes to Gary Severson. Now maybe Gary can make out with the girls, too.

JUDY ACHER bequeaths her vim and vigor to Gwen Alcorn. Up and at 'em, Gwen!

MELVIN ANDERSON isn't willing anything--he's stingy!

BILL BARGER wills his good looks and quiet ways to "Mouse" Cowan. There, Mouse--that make you happy?

RICHARD BLOCH leaves his ability to get through school to Ronnie Brandon. Tough stuff, eh Ronnie?

NEVADA BONAR wills his passing grades to Shirley Mohar. She always seems to pass the wrong things.

FRANK BROCKWAY wills his pal, Curtis Waisath, to Janette Pankratz. Don't forget to thank him, Janette!

CLAYTON BROD just leaves--but he's taking Iretta with him.

JOHN BRUMMER wills fifty pounds of his to Mr. Stroud. Don't put it all in one place, please!

MONTANA CLARIDGE leaves her job as Student Council Secretary to anyone--anyone--who wants it. She's had enough!

AMELIA CONNER leaves her famous walk to anyone who wants to separate the men from the boys!

HELEN COUCH wills her long, beautiful hair to Ernestine Wallner. Which twin has the Toni?

MARIAN COWAN leaves, but then, who wouldn't?

PAUL DENNING wills his position on the football team to Julia Nesslar. Now maybe she'll get on the ball and make a few goals, too.

BILL DRUGGE leaves. Now, thank heaven, maybe the teachers will get a little peace and quiet!

CAROL ERBACHER leaves--and boy, is she ever glad!

ROGER ERICKSON wills his "timid" ways to Marilyn Dickson. Brother--that should be interesting!

CORNELIA FEIERTAG leaves her quietness and grades to the junior girls. Wow--they'll never be the same!

JOYCE FERREE has already left. In quite a hurry, that girl!

NORMAN FRIEDE isn't willing anything. He's keeping it all, including Lonnie.

VINA GARDIPEE wills her "bounce" to "Bugs" Speers. Ha! As if Bugs needed any!

JOHN GESELL wills his roly-poly walk to Larry Claridge. Now maybe he won't have to try so hard to get some place.

TOM GRAHAM leaves--regretfully--the freshman and sophomore girls to the freshman and sophomore boys. Thanks a chunk, Tom.

LALAWNE GRATTON wills her beautiful head of hair to Carol Blackstone. Poor Carol, she's so hard to satisfy!

IRA HALL wills his Western walking "lurch" to Charlotte Harwood. Take it easy, Char, and put it to good use.

CONNIE HOOD has absolutely no qualms about leaving--and that's just what she's going to do--leave.

CHUCK INGWALSON wills his ability to keep in training to Lee Howe, but don't worry, Lee, Chuck wasn't exactly an angel!

DAVID KATHMAN bequeaths his quiet ways to Marta Sue Wittkoff. Now maybe she can sneak in after a party.

VERNON KAUFMAN wills his cowboy boots to anyone who wants a big lift.

JIM KIEFER leaves his dancing with Carol to anyone who wants to finish it.

MARLENE KESSEL wills her long hair to Patsy Voss--may she manage it as well as Marlene did.

MARY KLEINJAN leaves her friendly ways to Muriel Jorns--may you use them well, Muriel.

NINA KLEYSTEUBER wills her warm smile, sunny disposition, and quiet ways to Nancy Bloch. There, Nancy--it got Nina a ring, why not you?

KENNY KUHR wills his warm, friendly smile to Mr. Heintz. In a class of sophomores, these are kinda scarce!

E. L. LUCKETT wills his pink pants to anyone who will wear them as low as he did. Careful, now--one deep breath and you're a goner!

LINDA LUX leaves her good times at the school dances to the up-and-coming frosh girls.. Here's hoping they enjoy themselves as much as Linda did.

BOB MATULKA wills his cute smile to Mrs. Bowman--she didn't seem to ever get a chance to use one in English 12.

JACQUIE MATCHETT bequeaths her ability to go steady with one boy all year to Kay Schaefer. Good luck, Kay!

RULEE MATSUOKA wills her John Steinbeck books to Mrs. Praetz, knowing she has always wanted them.

IVAN NELSON wills his ability to attract Havre girls to anyone who thinks it's dull around here.

MYRON NESS leaves his five o'clock shadow to anyone with a razor that can stand the strain.

NOMA NESS wills her job as office girl at the grade school to anyone interested. She's tired.

HENRIETTA PETERSON wills her high-pitched giggle to the sophomore class--it seems they don't get much enjoyment out of life.

CAROLYN RAMBERG wills her shorthand books to Shirley Kulp, and hopes she has better luck with them.

VIRGINIA ROSENBAUM bequeaths her eyes to Walter Neumiller, hoping he will use them to good advantage.

MELVIN SEAMAN wills his height to Melvin Burchard. Don't worry, Melvin, you don't have too far to go!

ROSALIE SEAMAN wills her long hair to Mr. Denney.

GARTH SEAMONS wills his famous haircut to Gitch Richards. Now you won't have to use that rotary lawnmower any more, Gitch; aren't you glad?

LOIS SEEBAUM leaves her haircut to Mr. Bowman. Well, it's a start!

PAT SHELSTAD leaves. She's excused, though--Delmer is waiting.

JANE SPEERS leaves her nights out with the gang to Teddy Rasmussen, if he will promise not to stay out too late.

KENNY STAM wills his "Casanova" technique to Francis Schend. Kenny's advice is: "You can never say or do too much."

BOB SIVERTSEN wills his correspondence courses to anyone who wants to stay away from all teachers and still graduate.

IRETTA THOMPSON bequeaths her altitude to Bonnie Rae Finch--now, Bonnie, you will be able to see over the auditorium seats.

CARL VOSS wills his motto, "All good boys should be seen and not heard", to Tom Keller. Boy, talk about wasted effort!

CURTIS WAISATH leaves his ability to have a good time to anyone who is interested. Curtis has one dilly of a headache!

ALLEN WILLIAMSON leaves his cowboy boots to any size 8 1/2-C would-be cowboy.

MARGIE WILLIAMSON wills her tiny waist to Margaret Chapman.

OLIVE WOOD was about to will her walk to sister Mary, but it looks as if Mary already has one of her own.

LOIS ZINN leaves. She seems to like housework better than school work, anyway.

RUTH HUMBLE also leaves. Gosh, and she was only here for three months. I guess that's what they mean by a "commuter".

And, with the hope that we shall always be remembered, we, the Class of 1955, leave, too.

Class Prophecy

In the year of 1970, as we glance back on the scholastic class of 1955, we find many changes have taken place, some prosperous and some not. In the lapse of fifteen years, here's what we find:

JAMES ACHER is now modeling Lee Overalls. Seems as if that's what he wore in high school, too.

JUDY ACHER has just finished paying for her horse ranch. I guess she has more horses than money.

MELVIN ANDERSON is known as the world's fastest hot roder. I hear he's just completed his remote control car. Dig that!

We haven't heard much of RICHARD BLOCH, but I've heard that he decided to become a hermit.

NEVADA BONAR has just completed the script for what Hollywood considers the biggest production of all times: "The Shootin' at Logie Saturday Night," a super-western in Cinerama.

CLAYTON BROD and IRETTA THOMPSON have been residing in the West Valley district. I guess they have a few Brod-minded children.

JOHN BRUMMER is now co-owner of Speer's Implement. Was it the owner's daughter or John Deere?

FRANK BROCKWAY has settled down in Lohman. We hear he is well into his campaign for mayor. We wish you luck, Frank.

TANA CLARIDGE and AGNES NELSON, big-time operators of the Cozy, have just successfully invented a cheat-proof pinball machine and ROGER ERICKSON, BILLY BARGER, and JIM KIEFER have their Cozy privileges returned after cheating the pinball machines and being barred for the last fifteen years.

AMELIA CONNER is now operating a charm school in Hollywood. She specializes in the famous "Conner strut" which took Hollywood by storm and ruined Marilyn Monroe's popularity several years ago.

HELEN COUCH is married to a nationally known furniture manufacturer. He says "I can't decide which couch I like best."

MARIAN COWAN, after finishing high school in two or three tries, is now chief perfume-smeller of the "Catch Your Man" Perfume Company. Well, that's one way.

PAUL DENNING has just moved up to the vice-presidency of the Bang Fireworks Company of Salted Krackers.

BILL DRUGGE is sole owner of Bill's Conoco. His motto; "If your car won't run--fix it."

CAROL ERBACHER has taken over her sister's job--she hopes she can fill her sister's shoes.

CORNELIA FEIERTAG has just been appointed first woman president of Harvard. My, how times have changed!

JOYCE FERREE is owner of the Herbert Tareyton Tobacco Company. Her slogan is, "If they won't smoke, burn 'em."

NORMAN FREIDE and LONNIE GRATTON are now partners in the slaughtering business. We've heard that they have raised their own help.

VINA GARDIPEE'S Ipana smile and quiet ways have brought her fame. You now see her face on the Pepsodent ads. Was there a mix-up or what?

JOHN GESELL has just won the National Jitterbugging Contest. Don't wonder folks, he took lessons from Arthur Murray!

DELORES HANSON has been co-operating with the navy--she raises their flattops. Catch, folks!

IRA HALL is now in the moving business. We hear the Empire State Building is next.

CONNIE HOOD can't seem to make up her mind; career or marriage. She doesn't know what kind of a career or who her husband will be. Why doesn't someone help her decide!

After many years as a successful pro-ball player CHUCK INGWALSON has become a coach. He coaches the Yucca Flat Bats, and had a pretty good season. They just squeaked by their most important rivals by a slim 97 to 35, but are hoping for better luck in the tournament.

DAVID KATHMAN has thrown away his crutches for the last time and is practicing walking again. Good luck, David!

EUDORA KAUFMAN is Mrs. Eugene Peterson. It pays to work in the Cozy--money or men, Eudora?

VERNON KAUFMAN is now teaching high school English. He stated, "I ain't learning' them nothin' that ain't needed."

MARLENE KESSEL has taken up arms with the marines and is raising little destroyers.

MARY KLEINJAN still has her figure. In fact, she's modeling saddle pants.

NINA KLEYSTEUBER is touring the world with her husband, Dean. They're stopping at Sing Sing next.

KENNY KUHR couldn't stay away--he's back in Chinook. He kept coming back to the crow's nest so often that Mr. Prestbo appointed him official joke-teller for the band.

Romeo E. L. LUCKETT has lost his charm and is trading his Buick in for a pickup. Whatsa matter E. L.?

LINDA LUX is a stand-in for "Vampira" on television. Watch for her on Channel 5 at 7:30 every Wednesday night.

JACQUIE MATCHETT is now Mrs. J. P. She doesn't have to swipe his car now; she just takes it.

RULEE MATSUOKA'S piano playing has finally paid off--she plays two nights a week with Liberace. Watch for her Sundays at 8.

BOB MATULKA is now writing stories for "Stag". He couldn't get the prophecy written, but I guess he's improved.

The star of the Blaine County Stock Car Club is none other than BETTY McGHUEY. Everyone else quit when she came on the track--that's our Betty!

We hear that ROD NEIBAUER has just put the question to MARGIE WILLIAMSON. She told him she would think it over. Think hard, Margie!

IVAN NELSON is head librarian of C.H.S. Now he knows the thrill Mrs. Praetz had when she sent him back to study hall.

MYRON NESS, after running his "41" Buick for fifteen years, traded it in on a "42", hoping it would last longer.

NOMA NESS has just retired from her job at the hot lunch--things just got too hot for her, I guess.

HENRIETTA PETERSON is now the world's foremost authority on Tastee-Freez ice cream.

CAROLYN RAMBERG and hubby have just returned from a prolonged honeymoon--fifteen years, to be exact.

VIRGINIA ROSENBAUM is the new commercial teacher at C.H.S. Her favorite saying is "The deadline for paying for your awards is tomorrow!"

ROSALIE SEAMAN is head of the sound effects on KOJM between midnight and 6:00 A.M. Right up her alley, I'd say.

MELVIN SEAMAN and BUZZY WAISATH are now "tops" in the ring at Madison Square Garden. It took a lot of trips to Great Falls, but they finally made it.

GARTH SEAMONS has finally finished paving a bridgeless highway from Chinook to Zurich. Now Shirley won't have to worry.

LOIS SEEBAUM, after writing all those letters to Colorado, decided to go back and be co-owner of a dairy farm. We don't know who her partner is--you'll have to ask her yourself.

PATSY SHELSTAD is still driving Delmer's car, but she drives a brand new 1970 Ford, now.

ROBERT SIVERSEN is a cowhand on the "B-Bar-B". Latest news is that Windy Wales just beat him in the yearly liars' contest. Better luck next year, Bob.

JANE SPEERS just finished a supplement to Emily Post's book on etiquette, and is starting another. What's this!

KENNY STAM has let out his long kept secret on "How to comb your hair curly." We just love those curly locks, don't we, Shirley?

SHARON STREETER is expecting to win an academy award on her portrayal of Bessie in the "Feud at Gunner's Junction," which is acclaimed as one of the best westerns since Hopalong Cassidy retired.

CARL VOSS is editor of the "Advice to the Lovelorn" column in the New York Times.

ARLE WEST just came of age.

DONNA WHITE is making up slogans for Hallmark Cards. I guess they're really good--you ought to read them!

GLENN WIENCH has been appointed "truant officer" for Blaine County. He's learned his lesson, we see!

ALLEN WILLIAMSON is head sales manager for Ford. He drives a Lincoln, because he says he's making too much money to drive a Ford!

OLIVE WOOD, after many years of being the nation's top amateur lady wrestler, has turned professional. The experts predict that she should take the championship about next spring.

LOIS ZINN is nearing completion of her new book, "Cheaper by the Baker's Dozen".

RUTH HUMBLE has now taken the noted evangelist Billy Graham's place due to his retirement, and is making headlines from coast to coast.

Well, that's what happened to the Class of 1955 in fifteen years. Boy, we really goofed somewhere along the way!

OFFICERS

"Upperclassmen--whee!" was the battle cry of this year's junior class. They became involved in the usual junior transactions, such as picking class rings, trying out for the junior play, and working on the prom, and found time to introduce movie dances to the students of CHS. The big event of the year was the selection of Jack Upshaw to serve as page in the United States Senate; Jack left January 29 and became the first Montanan in forty years to fill the position. "Senator Jack" will spend the first semester of his senior year here, but will return to Washington in January, 1956, to work for the 84th Congress. Neil Opprecht was chosen to replace Jack, who had been elected Prom Chairman, and Jimmy Ross was delegated to take Jack's place on the Student Council. Marilyn Dickson placed first in the Chinook American Legion Oratorical Contest, as well as being chosen to attend this year's Girls' State. Mr. Denney was elected class sponsor, Mary Lou Schubert was the juniors' bid for Carnival Queen, and Shirley Bennett was crowned Home-coming Queen.

OFFICERS

Marjorie Sivertsen, Secretary-treasurer; Nancy Clikeman, Vice-president; Roger Reser, Student Council representative; Gerald Richards, President; David Lamey, Student Council representative; Esther Morris, Student Council representative.

The sophomores, of course, gave the year's first assembly--initiating all seventy-one freshmen with gusto. The Freshman Mixer, traditionally the year's first dance, was given by the Class of '57 in honor of the new frosh, and made up for all the lipstick and horseplay which goes with initiation. The sophomores' pick to try for Carnival Queen honors was Nancy Clikeman. Mr. Blaylock served as their sponsor.

OFFICERS

This year's crop of "green frosh" entered the portals of CHS on September 1, and were promptly and very thoroughly initiated by the sophomores. The first dance of the year was held in honor of the Class of '58, and they retaliated by inviting their enemies (the sophs) to drop in, at no charge, to their scatter. Must have been all sophomores there, for the freshmen went "in the hole"--but their very successful bake sale straightened things out. Margaret Chapman was their choice to run for Carnival Queen, and Mr. Heintz was elected sponsor.

Members of the National Senior Honor Society are selected each year on the basis of scholarship, leadership, citizenship, and service. Chosen to represent the Class of 1955 last year were Rulee Matsuoka, John Gesell, Cornelia Feiertag, and Arle West, and these four students comprised the functioning Honor Society during the school year 1954-1955. Under the sponsorship of Mr. Denney, they handled the novelty-sales booth at the Carnival and submitted their nomination to the Hall of Fame. The Honor Society banquet, which was held on May 4, was the culmination of a year's work, and featured the initiation and pledging of the new members who were selected in March. Chosen from the senior class were Charles Ingwalson, Jacquelin Matchett, Ivan Nelson, Jane Speers, Nevada Bonar, Iretta Thompson and Kendall Kuhr. Those juniors who will handle the Society's business next year are Lorna Bowen, Marilyn Dickson, and Duane Boe.

Student Voice Staff

The Student Voice staff met once a week to plan the contents of the coming paper, with members receiving one half scholastic credit for journalism. They took over the football concession and sponsored a "penny-pitch" booth at the Carnival to raise money, and were quite successful; they made a good-sized profit this year, and despite production difficulties, improved with their work on the printed newspaper. The "page-editor" method was again used this year, after its past success on the Student Voice.

This year's Drama Club consisted of the members of the Junior Play casts of this year and last, as well as a few students who were interested in declamation. The club sponsored the Carnival Variety Show this year, and presented a one-act play for the PTA, "The Neighbors". Their ultimate goal for the year was to take a one-act play to Interscholastic Week in Missoula, so members tried out for "Antic Spring" as well as "The Neighbors". The high point of the year was their banquet, a lavish turkey dinner "with all the trimmin's", which they held in January.

"The Neighbors" was never like this!

Certainly one of the cleverest comedies presented by a CHS class in a long time was George Batson's "The Doctor Has a Daughter". The "daughter" is a mislead teen-ager who has a fixation for solving other people's problems. Naturally, she gets herself into a peck of trouble, especially when she "re-unites" her old-maid aunt with a crotchety old man she knows nothing of. Picturing herself as a terrific playwright, she revamps her class play from a Pilgrim pageant to a sordid saga of Cleopatra's amours. In and out of trouble--from one hilarious incident to another--that's the doctor's daughter! The live-wire cast of juniors was joined, in the last week of rehearsal, by John Gesell, due to a broken leg suffered by Bill Leonard.

"Special Delivery", a superb comedy by Robert Ray, was a character-player's dream. Populated with such characters as it was, the play was a terrific success. There was Polly, the wise-cracking steno who had a crush on the boss; Peggy, the man-chasing secretary from down the hall; Mrs. Jasper, the gay divorcee, and her husband John, the shady "electrician"; Monte, the flustered young lawyer; and Angie, the hilarious cleaning-woman. The plot revolves around a misplaced special-delivery letter, and the uproar it causes in Monte's law office. All in all, it proved to be a wonderful opportunity for ten seniors, who dramatically speaking, gave it the works. Much credit for the successes of the two class plays of this year goes very deservedly to the congenial director, Mrs. Praetz. They couldn't have done it without her!

The Student Council, CHS's governing system, was very active this year. One of the new, very successful ideas they initiated was PTA chaperoning of all school dances. The student body also saw four excellent movies, and all-school assembly, and many National Assemblies. The Student Council collected $80.00 for the March of Dimes at the Shelby basketball game here (with the aid of a horse-blanket), and also collected for the Junior Red Cross. This year's agenda featured plans for the formation of a District Student Council, with possible future plans for a state-wide organization.

The Pep Club (with their vocal cords) went into action in September: they gave pep assemblies to boost the Beeters, and during the football season, the annual Snake Dance aroused school spirit, dislocated shoulders, etc. A mob went to the Shelby game in a school bus, and reportedly had a bang-up time. They learned a bunch of new yells, and sold Cheering Books both to raise money and to give every member a chance to learn the yells. Their two bake sales helped out considerably with the money problem, and for their hard-working cheerleaders, they purchased new uniforms--black skirts and white turtle-neck sweaters, on which their big orange cheering letter were displayed. The Pep Club finished off the athletic season by virtually yelling themselves hoarse at the tournament--it's rough on the pipes, all right, but it sure gives the team a lift.

This year, the band was definitely one of the most active of all CHS organizations. They started off the year by conducting a magazine-subscription campaign which netted them approximately $300. The football games down at Hoon Field were pepped up by the presence of the band, and their precision marches at half-time were really something to see. They attended the game with Great Falls Central, and performed on the gridiron of Memorial Stadium with one of their snappy formation marches. Here, much credit goes to "The Boss", Mr. Prestbo, for his enthusiasm and perseverance. The pep band "up in the crow's nest" enlivened the basketball games, and here the group also sold programs and pop. Their "big moment" came with the Northern Class B Tournament at Great Falls, which they attended.

With the athletic season over, the band turned toward concert work--complementing their Thanksgiving Concert with the annual Spring musicale. A pair of tympani was added to the "arsenal" early in January. They entertained the student body at the pep assemblies and at the Christmas program, and, with various instrumental solos and ensembles, were adjudicated at the April 2 District Music Festival at Havre. The Havre May Festival was also on the band's agenda. Yes, it was quite a year for the Chinook High School Band.

The FFA boys began their year in the summer of 1954 by sending several members to the Summer Camp at Yellowstone National Park. John "Beef" Brummer was elected State Farmer, which is quite an honor. At the beginning of the school year the organization had initiation for new members and attended the District Convention at Malta. Their Bingo stand and duck-ringing booth were two of the more popular concessions at the Carnival. They also sponsored a movie dance, and during National FFA week the boys exhibited a window display and gave a radio program. The Chinook Chapter received $250 from the Sears-Roebuck Foundation to buy a registered cow, and eight members were sent to the State Convention at Bozeman in April. Yes, '55 was quite a year for the farmers!

The FHA started a very active year by giving a picnic for the freshman girls. They had initiation for new members at which Tana Claridge and Marilyn Dickson received Junior Homemaker Degrees. At their annual District meeting in Harlem, Tana Claridge served as Secretary and Marilyn Dickson was elected District President. During National FHA week, they gave an excellent assembly program, consisting mostly of "new talent", and a radio program. They gave a Christmas box to a needy family and had a very successful Christmas banquet. In the spring they sponsored a "Sucker-Day" and CHS's "sweet tooth" was catered to royally. They had a picnic with the FFA and a tea for the eighth grade girls. In May, they sent four delegates--one from each class--to the State Convention at Helena, where Marilyn Dickson served as State Song Leader. Money-making projects of the future "Housebreakers" were: a hot-dog stand at one of the football games, a food booth and cake raffle at the Carnival, and the selling of pop during the latter part of the Basketball season.

FHA initiation is a deep, dark ritual, so pardon the under-exposure.

Under the co-sponsorship of Mrs. Bowman and Mr. Fugita, the Latin Club had another very successful year. Their fall hayride showed all the members a good time (?), even though a cold wave chose that day to conveniently set in. Their Carnival booth was the traditional fortune-telling setup rigged up to resemble an oracle's cavern. Always phenomenally successful with their dances, the "Sock Hop" they held in January made them a pile of money. The year's big event, the Roman Valentine Banquet, featured tons of spaghetti, and, of course, no silverware! Naturally, everyone was splattered up to the elbows, but reported having a bang-up time.

January meeting features an impromptu "leg-art" display.

Although plagued by injuries, the Beeters played a rough schedule and proved to be one of the toughest teams in the conference. They placed third, losing only two conference games out of six, and these to the co-champion Shelby Coyotes and Great Falls Central Mustangs. Their only other defeat of the season was dealt them by the powerful Class A Glasgow Scotties. 1954 saw the erection of the long-awaited lighting plant at Hoon Athletic Field, and all home games this season were played under the lights. The Beeters' outstanding win this year was over the Fort Benton Longhorns in one of the most brutal games ever played in Chinook.

Guard, 150 lbs.
Junior
Always ready to take over when the going was rough, Bill backed down for no man. Could handle the pivot spot, too, if needed. A handy teamman to have around.

"MICKEY"
G. MORRIS
End, 155 lbs.
Junior
Top pass catcher on the team, Mickey ranked second in scoring. Could also defend the flanks in fine style when the opposition threatened. Fast and rangy, he should have a banner senior year.

"BLOODY"
I. NELSON
Halfback, 160 lbs.
Senior
Slippery in an open field and a deft pass catcher, Nelson was a specialist on offense. A very good team man, Ivan also served as manager of the Beeters.

"TILLY"
B. TILLEMAN
Tackle, 170 lbs.
Junior
Most versatile player on the squad, Bob could play guard, tackle, or end. He could punt, kick-off, and place-kick. Big and rugged, he was fine on both offense and defense.

"FEATHERSTONE"
J. NORBERG
Halfback, 140 lbs.
Sophomore
One of the speedballs in the nifty sophomore backfield, Johnny could really pick 'em up and lay 'em down. A fine team man and a tough competitor.

"GUMSHOE"
B. UPSHAW
Fullback, 160 lbs.
Junior
Hard luck player on the team, Bob was plagued with injuries but still managed to appear in most of the season's games as a linebacker par excellence.

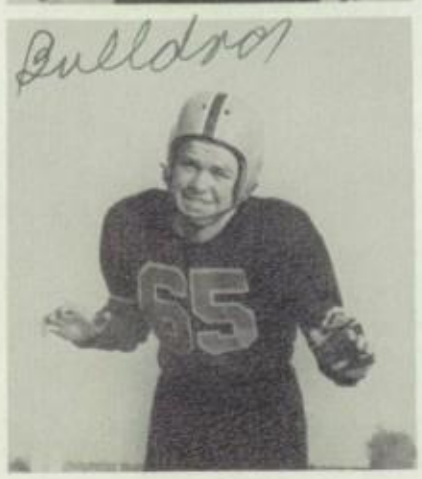
"RETCHET"
N. OPPRECHT
Center, 150 lbs.
Junior
Groomed to replace Luckett at the pivot post, Opprecht is another player with versatile qualities. He performed at center, guard, and tackle, and proved to be very capable at all positions.

"LOVER BOY"
P. WALLNER
Halfback, 155 lbs.
Sophomore
Another member of the power-packed sophomore backfield, Paul rated a starting position on the main team. Most brilliant open field runner on the team, this boy can really drift.

"RED"
R. RESER
Tackle, 175 lbs.
Sophomore
Here is a big fellow who is fast developing into a great tackle. He held his own nicely in all varsity games in which he played. It is feared he may transfer to Cut Bank: the Sugar Beeters' loss will be the Wolves' gain.

"BUTCH"
E. WHITE
End, 135 lbs.
Sophomore
Pegged as an up-and-coming great wingman, Everett showed plenty of finesse in guarding the flanks on defense. He needs only experience to become another great Beeter end.

"SARGE"
G. Sargent
Guard, 150 lbs.
Sophomore
Often called the "Toy Bulldog", Sarge has a great career ahead of him as a football player and a boxer. He's just plenty tough.



"BOOGER"
T. WISCH
Guard, 190 lbs.
Junior
Exceptionally fast for a big fellow, Ted worked equally well in both offensive and defensive lines. He should be one of the bulwarks of the team in his senior year.

Basketball

The Sugar Beeters of '54-'55 got off to a rather slow start, but soon hit their stride and went on to capture third place in the conference, being nosed out by the Shelby Coyotes and the Fort Benton Longhorns, both of whom won one and lost one to the Beeters. The win-loss record of 17-5 was impressive, especially when one considers the number of first-year men on the squad.

The Beeters were a closely knit group with an abundance of esprit de corps--they didn't like to lose games at all. They broke even on their non-conference tilts with the Havre Blue Ponies, winning one on their floor, and losing one here.

At the Northern Divisional Class B Tournament, the Beeters made an auspicious entry by downing the Great Falls Central Mustangs by twenty-three points. However, they were edged out by three points by the Fort Benton Longhorns, and eliminated the next morning by the Havre Central squad. Well, anyway, they declared that they wouldn't get caught with the third-place trophy again this year!

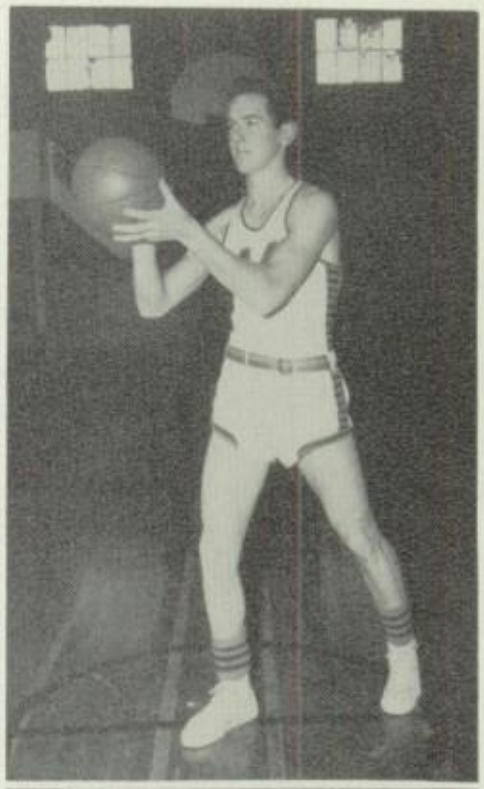
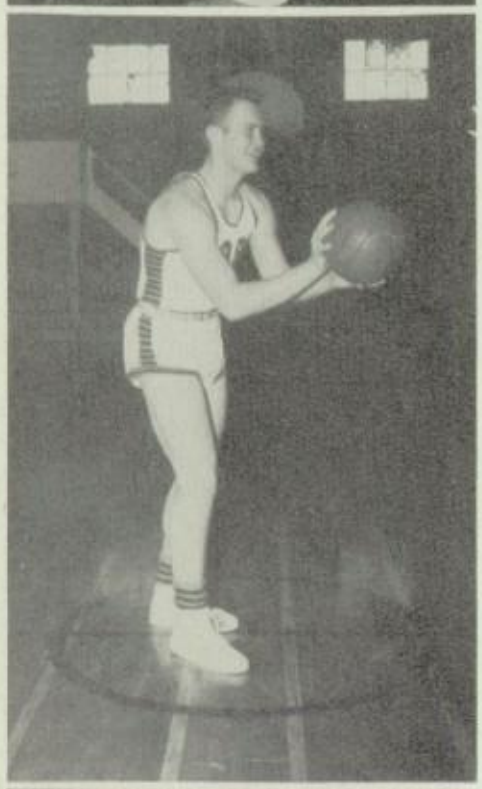
"BLA"
D. BOE
Junior
Center, 6'2"
A comer on the hook shot and rebounding, Duane will be the big man on the team next year. Can deliver in the pinch, and very accurate from the free throw line.

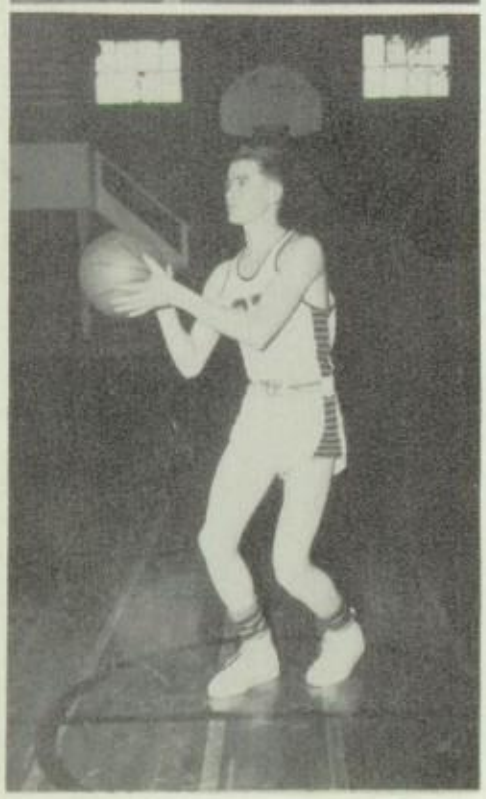


"DALE"
D. Hanson
Sophomore
Forward, 6'
Possessor of a fighting spirit that just can't stand to lose, Dale should help the Beeters to many victories the next two years. Good scorer and wonderful rebounder.

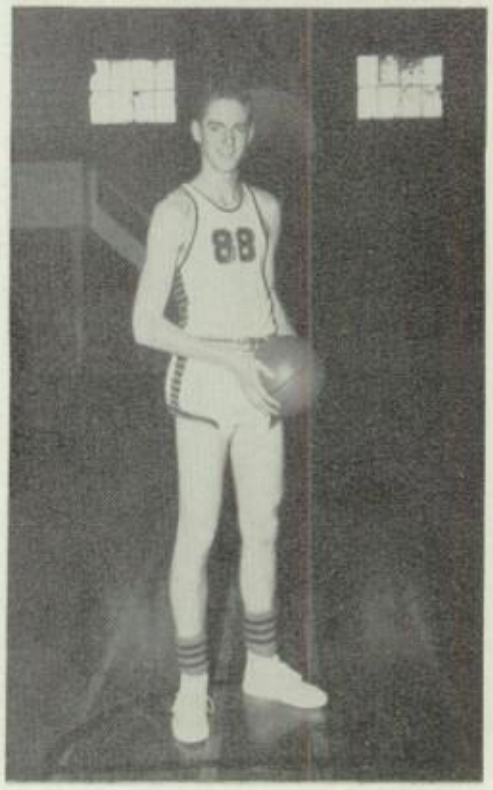


"BEEF"
J. BRUMMER
Senior
Forward, 6'3"
A good competitor, this big husky fits in nicely with the Beeters to give them a height advantage in many games. Good on rebounding and a heavy scorer in the tough games.

"LEEBURGER"
L. Howe
Junior
Guard, 5'8"
Very speedy, a nifty feeder, can score and has a good head. This slippery ball hawk will be back again next year to give the Beeters another lift.

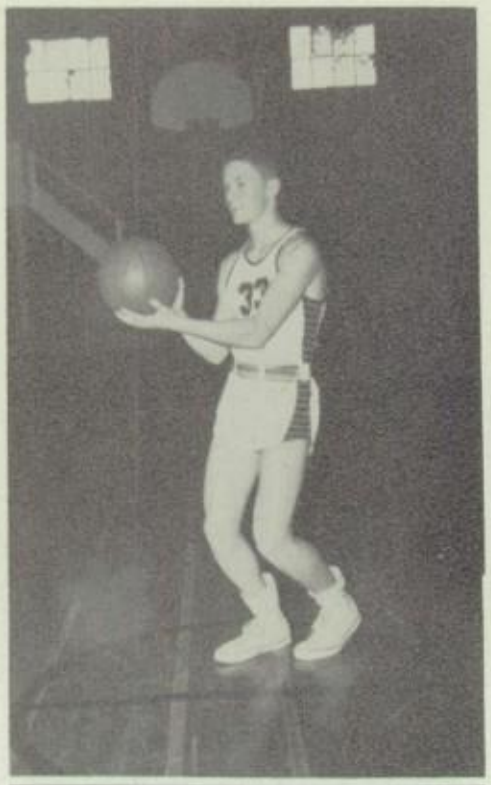


"KITE"
W. FOX
Junior
Guard, 5'7"
This little fellow is one of the coolest players on the squad, can handle the ball nicely, and is deadly on the long shot. Settles the team appreciably when in the game.

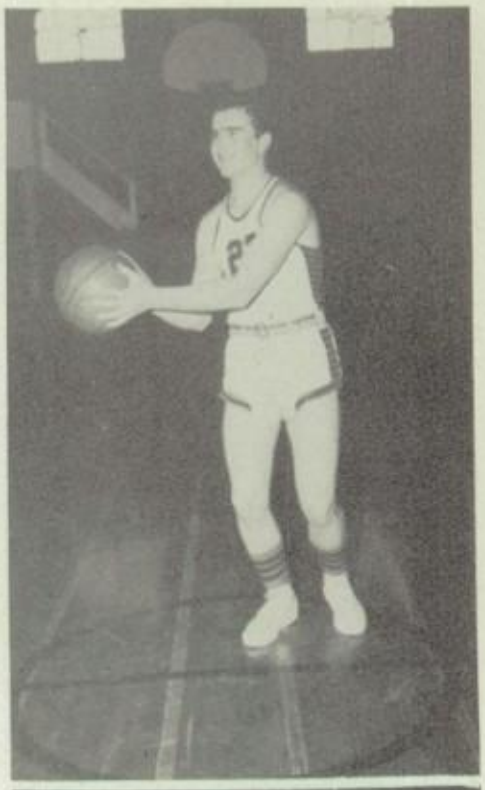


"INKY"
C. Ingwalson
Senior
Center, 6'4"
Terrific on rebounding and possessor of the finest hook shot on the squad, big Inky was a top scorer with Beeters and very good on defense. One of the finest pivot men in the state.

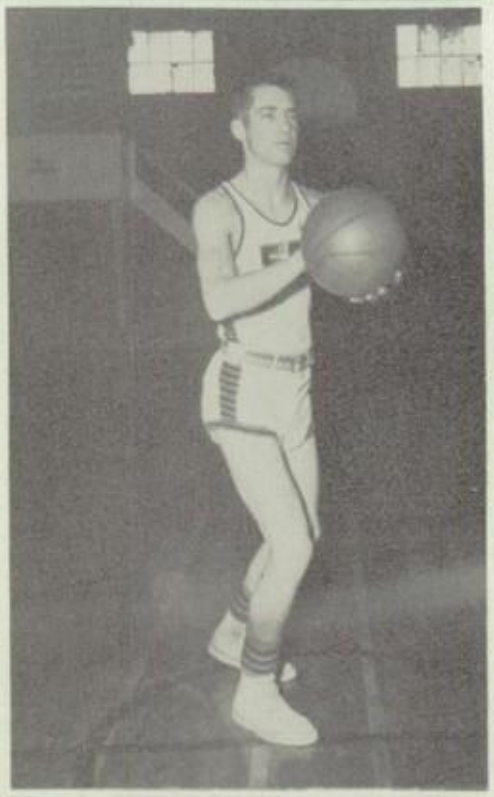
"BIG DAVE"
D. LAMEY
Sophomore
Forward, 5'8"
Dave has the most devastating shot ever developed at Chinook. He hits when the bucket is needed most. Goes all out to win in every game. Sure to be a toughie for the next two years.



"DIGGER"
F. SCHEND
Junior
Guard, 5'8"
At his best when the going is rough, Digger is very fast, a good ball handler, and can make that "impossible" shot. The tougher the angle, the better Digger hits. Good to discourage the opposition.



"MICKEY"
G. MORRIS
Junior
Forward, 6'
Very fast and aggressive, Mickey is deadly on long set shots, can rustle the ball and pick it off the backboards. A good team man, he should spike the Beeters next year.



"GUMSHOE"
B. UPSHAW
Junior
Guard, 5'10"
The workhorse of the squad, Bobby can always be depended on to give his best. A good shot, good feeder, and good defensive player. Very nice disposition.

"NURNIE"
N. NEIBAUER
Junior
Forward, 6'
Most improved player on the team, this big fellow has made his weight felt in many a game at both forward and center. A fierce competitor, he is good on the boards, has a deadly jump shot and can defend the home goal.

"PAUL"
P. WALLNER
Sophomore
Forward. 5'10"
Fast and clever, Paul can fake the opposition silly and hit the hoop accurately. Good on the floor play, a good feeder, and a very good team man.

BACK ROW, Left to Right: Norman Slonaker, Don Gallus, Everett White, Neil Opprecht, Eldon Halingstad, Tom Keller, Roger Reser, Art Tilleman, Paul Wallner, David Lamey, Doug Neibauer, Evertt Kulp, John Ambrose. SEATED: Coach Chester Blaylock.

"Baby Beeters"

Under the direction of Coach Chester Blaylock, the Chinook B-Squad made very satisfactory progress during the '54-'55 hoop season, winning eleven and losing seven, with the majority of its members having little or no basketball experience whatsoever.

The B-Squad is the future varsity of CHS, and several of its players should make good material for next year's A-Squad. The "sprouts" defeated every team they played at least once, with the exception of the undefeated Shelby Coyote Pups. Outstanding wins of the season were victories over their rivals, Harlem, Havre Central, and Havre Public; they also took one from the seniors in a side splitting cage contest.

Congratulations for a successful season, men--we'll see you again next year!

Washing, drying, folding, and passing out towels--giving rubdowns--putting the equipment away--and, in general, "cleaning out the joint", Managers Ivan Nelson and Bill Leonard had a busy year. Taking care of a basketball team can be quite a job--just ask them! The A-Squad was under Ivan's care, while Bill cleaned up after the junior varsity. Thanks a heap, fellas--you did a swell job.

The Girls' Athletic Association, known more familiarly as the "gaa-girls", did many new things this year. During the football season they sold pencils with the football schedule printed thereon, and they sponsored a hot dog stand "under the goal-posts". Miss Nelson put the girls to work making black-and-orange crepe-paper shakers to pep up the Pep Club, and the gadgets went over in a big way. More pencils were sold during basketball season, this time with the year's home-game schedule displayed. This year, hot dogs and candy were peddled at the basketball games due to the GAA. At their annual Christmas banquet, Margie Williamson and Noma Ness received letters for Girls' Athletics. This organization also sponsored a "Play Day", with visitors from five near-by schools participating in a day-long athletic festival. Kenny Kuhr and Zella Lunden were crowned King and Queen of the Sadie Hawkins Dance, which culminated a day of sport for CHS girls. The GAA-sponsored affair had a big turnout this year, with scores of eager lasses snaring their men for the whing-ding which followed. All in all, it added up to a highly successful year for the "gaa-girls".
